Project Recipe:

1. Use a paper trimmer to cut a 1" strip off the front right side of the card front. Then use the pine needle patterned Wintry 3D Embossing Folder to emboss the remaining flap. Use Tear and Tape to adhere a 1/2" X 5-1/2" strip of Evening Evergreen CS to the inside edge of the card front.
2. Use Light and Dark Evening Evergreen Stampin' Blends to colour a 1" x 5-1/2" strip of Gold & Silver 6X6 DSP. Then use Liquid Glue to adhere the strip to the expose inside edge of the card base.
3. Emboss a 1" X 3-1/2" strip of Soft Succulent CS with the snowflake patterned Wintry 3D Embossing Folder. Then flag the right end using paper snips. Adhere this to the front flap of the card base slightly below center.
4. Cut and emboss a piece of Crumb Cake CS using the Tree Rings EF and dies. Sponge the edges with Soft Suede Ink and attach to the card front using Dimensionals.
5. Use Evening Evergreen Ink to stamp sentiment on a coordinated white tree center. Glue on to the tree ring.
6. Stamp the poinsettia on a scrap of Basic White cardstock using Sweet Sorbet Ink and then fussy cut and attach to the card front. Embellish the poinsettia with 3 gold pearls and attach a Soft Succulent bow below it using a Mini Glue Dot.
